

Be an early adopter of our Disruptive Solution to the commuting challenges, by simply sharing this [flyer](#) with your employers or users base. We do not charge per ride or transaction fee, user can start immediately by downloading our app and join their peer rides.

Benefits of commuting with Plug & Ride:

- Drive faster by using the carpool lane and reducing traffic
- Drive One Day a week, by rotating the rest of the week with your passenger drivers
- Commute for free or at least pay shared cost which is less than other transportation options
- Expand your professional network and ride with people you trust
- Commute cleaner, improve your carbon footprint and earn per mile reward points

Use Plug & Ride at your organization or group:

- Offer the Plug & Ride app as a commuter benefit to employees
- Improve Corporate Social Responsibility and meet local compliance
- Increase overall employee engagement and productivity
- Reduce congestion at corporate spaces and parking spots
